

### Phase 5: Southbound contraflow (towards Newport)

### FROM EARLY JANUARY TO END MARCH 2020\*

- Forest Road is still open in both directions (no diversion)
- Contraflow lane on the **southbound carriageway** taking traffic going past the hospital site as you head towards Newport onto the right-hand side of the road. This lane will then re-join the left-hand side again near the roundabout.
- One lane closed on the northbound dual carriageway heading towards Cowes

**\*Timescales are approximate and can be subject to change.**
