CARRIAGEWAY RECONSTRUCTION & RESURFACING WORKS IN YORK AVENUE, EAST COWES

Dear Resident

With the completion of the required road markings last night, all work on the York Avenue reconstruction and reconstruction scheme is finished.

Once again, for a final time, we would like to thank the local community for their support and understanding during what was a challenging scheme for all of us. Your co-operation was really appreciated by all those at Island Roads.

Now the work is finished, Island Roads will be looking to schedule repairs on some sections of the diversion routes. This will be done after the peak summer season and we will seek to keep any disruption to a minimum. We will keep you posted as and when these works are scheduled.

Thank you once again.
