

Dear resident and stakeholder,

We are writing to inform you that tomorrow evening, Tuesday, 25 November 2025, our team will be working an additional shift between 7 pm and approximately 10:00 PM.

The works will involve planing out the carriageway on Clarence Road, between Manor Road and No. 14 Clarence Road. **Please ensure that this area is clear of all parked vehicles by 4 PM to avoid any delay in the evening works commencing.**

This additional shift is being scheduled to take advantage of the opportunity to recover time lost during recent adverse weather conditions.

The rest of the week will be as follows:

- 26<sup>th</sup> November 2025 (Wednesday) - lay the base material and surface course in Clarence Road between Manor Road and No. 14 Clarence Road.
- 27<sup>th</sup> November 2025 (Thursday) – move into Phase 2 and commence the planing out the carriageway.
- 28<sup>th</sup> November 2025 (Friday) – excavate sub-base material and adjust ironwork.

Please note that these dates are subject to change due to various external unknown factors.

We appreciate your understanding and cooperation while these essential works are carried out.

Kind regards,

Island Roads
